

N₂O Stakeholders Meeting

You are invited to participate in a meeting to discuss research activities being developed to better understand greenhouse gas emissions from the application of nitrogen fertilizer in California.

The purpose of the meeting is to receive updates and discuss the three research proposals being funded by ARB, CDFA and CEC. This is a continuing effort to coordinate research with state agencies, academia, and industry and receive input on proposed research for improving our understanding of N₂O emissions associated with fertilizer use in California.

The meeting will be held by phone conference at the date, time and number shown below.

DATE:	Monday August 24, 2009
TIME:	10:00 am to 12:00 pm
CALL IN:	888-989-6512
Pass Code:	20872

An agenda and meeting materials will be posted online prior to the meeting at <http://www.arb.ca.gov/ag/fertilizer/meetings/meetings.htm>
